PRINCIPAL'S REMARKS

Dear Graduates, Friends and Family:

On behalf of the staff of Camas High School, I would like to welcome you to this evening's commencement ceremony for the Class of 2020. We are coming together today to celebrate our graduates and their many accomplishments.

What a year it has been for the class of 2020! You have had lots of opportunities thrown at you during your senior year. Some may call them challenges, but I am going with opportunities. You have had the opportunity to have multiple principals, lockdowns, student demonstrations, remote learning and a virtual graduation. And through all this, you persevered. This speaks volumes about the Class of 2020.

I hope that during your time at Camas High School, we have prepared you well to start this next journey in your life. While tonight's ceremony signifies the end of your high school education, it's actually representing a new beginning. The word commencement means a beginning or start. And, as you are navigating through the next few years, I hope you find a career that you are passionate about. Something you truly love to do and brings you joy and happiness on a daily basis. You deserve it!

Wherever life takes you, there is one thing that you all have in common. You are, and will always be, a Papermaker. I hope you continue to Imagine, Innovate, and Inspire as you change the world around us.

Class of 2020, you are an incredible group of graduates. I am very proud of what you have accomplished and look forward to seeing where the future takes you.

Go Papermakers!

Sincerely,

Tom Morris
Principal

SENIOR CLASS PRESIDENT REMARKS

Good evening everyone, I know this is such a weird way to graduate but I am still honored to give this speech to you. My name is Fiona Fitzpatrick, and I'm your senior class president. First off, I would like to give a huge thank you to everyone who is watching this broadcast, Hi mom, Hi Dad, Hi Liam!!! Grandma and Grandpa, I hope you're watching this. Thank you to all of the staff that made this possible, and finally, thank you to all of the principals we've had over the years.

I really hope you aren't expecting a sappy, sad sack of a speech because I think the loss of our senior year already covered that. Congratulations to all of us who are graduating, we finally did it! Twelve long, loooooong years and what do we get!? A YouTube video... All jokes aside, I didn't really know where to start when writing this speech, we've gone through so much together. From worrying about what to wear on the first day of freshman year to worrying about how long you can get away with wearing the same pajamas throughout all of the quarantine. The days were long, but the years felt short, and the only way to really honor our time here at Camas, is to go through the years in order.

During freshman year, you already feel extremely awkward, trying to adapt to all of the new freedom of high school. And to make matters worse, the biggest trends just had to be Juju on that beat and the Black Beatles Mannequin challenge.

Onto sophomore year, for those of you who could drive, you felt so excited to roll up to school with your brand new parking pass, too bad it took you 20 minutes to walk from the east lot to the school. You know some days I got to school nice and early, but somehow would still be late to first period just because I'm slow.

Junior year, hmmm what to say about junior year, no more maker time maybe? Man, was that a complete mess, the real perk was seeing if you could sneak out before it ended to beat the traffic. All of the sneaking around got ruined when maker time got switched to after fifth period, thanks, Cade Segewiss.

Senior year, we had so many dreams. The beginning of the year was so great it seemed like some sort of movie. This is not the movie ending we expected though.

But we did find a cure for senioritis!! Thank you Governor Inslee for the longest senior skip day ever! As Mr. Tomasetti would say, "History repeats itself." Man, do I feel bad for the next generation that gets a load of this. But just think, we are a senior class that has experienced history, we get to tell our kids and our grandkids that we survived through online classes and a global pandemic while fighting off facial acne and murderous hornets all while still graduating high school. Although we missed out on some big memories, our community made up for it with extra love. Just think about it, we are the class that has received all the perks. I mean just the other day I got a free dozen donuts from Krispy Kreme just for being a senior. Honestly in 20 years, are we going to still be upset about not having a senior prom? Or a real graduation ceremony? No, we are going to remember the friends and the amazing community we had and how we all got through this awful monstrosity together. I don't know about you, but I am still so proud to be a part of this class, not only have we made class history together, we've lived through world history too. We will always remember this as the craziest time of our lives, class of 2020, I cannot wait to see everything you accomplish in this world.

Thank you,

Fiona Fitzpatrick
